## FEATURES

Island adventures in paradise await your Sims! From exploring the isles in fully customizable houseboats to creating a five-star resort experience, your Sims will love the carefree tropical lifestyle. Nautical Sims can set sail between islands and dive underwater to uncover sunken treasure—or maybe even befriend a mermaid! With innovative features never before seen in The Sims PC franchise and a world of new possibilities on land and in sea, your Sims will reap the benefits of their own island paradise.

### **Set sail for adventure.**

Be it by paddleboat or speedboat, your Sims can now leave port to discover new lands and explore like never before, from inter-island travel to discovering their own uncharted island. Landlubbers need not apply!

### **Build and run a five-star resort.**

Create a family-friendly resort of waterslides and buffet tables, a romantic retreat dotted with minimalist cottages, or a singles resort featuring multiple pool bars where Sims can mingle and

flirt. Choose and fine-tune your amenities, set your prices, and wait for the reviews—and Simoleons—to pour in. The higher your star rating, the more popular your resort will be!

**Life is a beach.**

See what surprises await under the sea as your Sims build their skills in snorkeling/scuba diving. Your Sims may find themselves on the shore of a new island or discover sunken or buried treasure.

**Boat sweet boat.**

Whether your Sims love the water or are just prone to wanderlust, a houseboat may be the perfect abode. Houseboats are fully customizable and can be moored at any open port, so if your Sims tire of the view, relocate to a new locale!

**The Sims™ 3 Island Paradise LIMITED EDITION includes the exclusive Island Survival Pack.**

More Limited Edition content than ever before – packed full of clothing, furniture, and décor options that will allow you to extend the way you play with your own island paradise.
